

## It's Time to Update Your Shipley Family Information

How time flies, especially in the latter portion of our lives! We have all experienced more recently, among our family members, immediate or extended, births, marriages or deaths. It is so important that these become part of the Shipley family records, but we need YOU. It actually has been twenty years since many of us last updated and submitted these for the publication of our 2002 three-volume genealogical book set. With that in mind, we are beginning a new effort to add these memorable events to our Shipley story, whether in our next supplement, or on our online database for members.

How are we going to do this? Attached is a family group sheet, commonly used for genealogy purposes, that we have customized for our specific needs. It will provide a means for you to add your family's updated information. Don't forget to distribute copies to any cousins who are not members of The Shipleys of Maryland. We need their family information too if we are going to keep our organization and our Shipley lineage going. Please refer to the directions below.

- **PRINT** all information with a dark pen.
- Fill out a separate group sheet for each relationship that produced children.
- Use full names-----first, middle, last, title (Jr., Sr., M.D., etc.).
- For women, fill in maiden name, if known.
- Fill in as much as you would like or know. However, PLEASE DO NOT FILL IN ANY INFORMATION OF WHICH YOU ARE NOT CERTAIN.
- Be sure to include your contact information in case we have questions.
- If you want to include any additional information that you would like us to know, add it on the back, or attach a separate sheet of paper.
- If any corrections are needed for earlier publications or our database, add to the back or attach a separate sheet of paper.
- Any information in our earlier publications, or in our database does not have to be repeated, except where it is necessary to establish a relationship for your new information being submitted.
